WHAT WILL WE DO?

Our ministry gives an opportunity to be used of our Lord in reaching children thru Christian Camps in the following areas and more:

Short Term Ministry opportunities include:

- Camp Counselors
- Bible Teachers
- Elective Teachers (Music, Drama, Crafts, Sports and Tools (carpentry))
- Basic Medical Care and Nurses
- Cooks
- Photographers and Videographers
- Camp Program Assistant (one who helps with administration of camp and programs)
- Work Teams
- Other....

To enhance the short-term mission experience, teams will have daily devotions, debriefing discussions, shared meal times and some free time to experience the local culture and shopping. Come be a part of this 17- or 15-day trip and join our Lord in changing lives of children in India.

HOW MUCH DOES IT COST? -- \$2,800 estimated

We understand that for many, the cost of the trip is overwhelming. Yet we have seen time and time again that if God is calling you to missions, he will provide the resources to send you. Don't let money concerns alone stand in your way. Please consider coming to the pre-trip informational session to hear about creative fundraising ideas others have used.

Following is a suggested estimated breakdown:

Description	Amount	Explanation
Airfare	1500.00	based on average travel season
Living arrangements	150.00	for staying at base camp and other mobile locations
On-ground ministry costs	600.00	includes food and other costs associated with the trip
Visa	60.00	includes six-month business visa
Immunizations	140.00	LCMI strongly suggests HEP-A, Cholera and Malaria medications. See family doctor for other pertinent medical needs.
Travel Insurance	50.00	This is an average cost. Actual costs vary on different variables.
Administration Fee	90.00	

WHAT IS A TYPICAL SCHEDULE?

In order to facilitate many details, LCMI looks forward to providing two pre-field, one on-field, and one post-field training session. The goal of this is to equip each short term member with as much necessary information so as to enhance one's experience and be an effective team member.

HOW WILL TRAVEL ARRANGEMENTS WORK?

Airfare will be purchased as a block for the team in order to capitalize on group discounts. For this and several other reasons, accommodating individual requests for redeeming frequent flyer miles is not feasible. Much of the mission experience has to do with being part of a team and seeing what God can do when we all work together, so it enhances the team's experience when we begin and end the trip together as a group.

Once in India, we will continue to travel as a group by bus or rental vans. The rental costs for in-country transportation are included in your trip fee. Because we will stay together as a group during our trip, you should not plan on being able to break away to go exploring on your own.
